

KIDS

INTRODUCTION

Step into a world of excitement and endless fun! We've got a ton of awesome activities just for the kids! Whether they love drawing, exploring, or playing sports, we've got something super cool waiting for them. Get ready to create amazing art and join in thrilling outdoor games. We focus on laughter, learning, and making friends while having an absolute blast!

Let the games begin!

Kid's World

Discover Kids World, an enchanting haven for young explorers to embark on thrilling adventures. With a Playstation 5, diverse books, a climbing frame, table soccer, and board games, this vibrant space caters to all ages, encouraging children to disconnect from technology and create unforgettable memories through interactive and engaging experiences.

Kid's Dormitory

We offer a dedicated kids' dormitory with comfortable beds, age-appropriate amenities, and engaging activities, ensuring a safe and enjoyable experience for children, creating lasting memories.

Educational Programs

This program fosters imagination, artistic skills, and an appreciation for Mediterranean cultural heritage.

Storytelling Magic

Storytelling is a special way of sharing tales that uses imagination and feelings, taking the youngest guests to amazing places and capturing our hearts and minds.

Croatian Legends

Exploring Croatian legends and crafting an essay about them is an exciting journey that help them discover the rich cultural heritage.

Art Class

Our kids' art class offers a creative environment where young imaginations can explore variety of artistic techniques and unleash their creativity.

Scrapbook

Our kids' scrapbook activity provides an amusing opportunity for children to preserve their memories in a fun and personalized way.

11

Treasure Hunt

The kids will be thrilled following the clues, solving mysteries, and ready to uncover the hidden treasure.

8

Your Dr

Our Private Cinema

Get ready for your favorite animated movie under the stars for a magical movie night filled with laughter, popcorn, and a variety of movies.

Table Football

Table football is a fun and competitive game where kids will spend hours competing and playing.

Billiards Club

Billiards is a fun and engaging game that can be enjoyed by kids and their parents playing it together.

PlayStation 5

We're not in favor of too much technology for kids, but almost every kid today wants to play a PlayStation, so we bought the newest model and a big TV screen. Let the games begin!

Making Homemade Salve

We engage the little ones in a fun and educational activity where they easily learn how to make their own homemade salve using safe and child-friendly ingredients.

Creating Herbarium

Creating a herbarium with kids is a thrilling project that combines the joys of nature research, hands-on learning, and artistic expression as they collect, press, and categorize a beautiful design of dried plant specimens.

Bicycles

Kids will have the pleasure of exploring outdoor activities each day, with bicycles at their disposal, allowing them to revel in the beauty of natural surroundings.

Kayak

Kids will enjoy paddling with our kayak through the cleanest Mediterranean sea.

SUPs

We have a collection of SUP boards perfect for our beachfront location, allowing kids to effortlessly explore the waves right outside our house.

Heated Pool

Kids can experience year-round swimming bliss in our heated infinity pool. In winter, it warms up to 34 degrees, while in summer, it offers refreshing dips at 28 degrees.

Padel On The Grass

We offer an exciting outdoor activity for kids where they can experience the thrill of this popular racquet sport while enjoying the natural outdoors.

Badminton

Discover the excitement of badminton with our dynamic and accessible activity, perfect for kids for all ages.

Tennis Academy by Ivan Ljubicic

Our local tennis academy, which is only 5 minutes away from our property, is led by Ivan Ljubicic, the coach of legendary Roger Federer.

Aquapark

The aquapark is filled with excitement as children splash and slide down thrilling water slides on hot summer days.

Laser Tag

Laser tag provides an experience where kids can independently entertain themselves or join forces with their parents for an exhilarating game of teamwork.

Board Games

Board games offer a delightful blend of strategy and competition, bringing family together for hours of memorable entertainment.

Cooking Classes

Young chefs can explore culinary delights as they learn essential skills, experiment with flavors.

Meals By Our Private Chef

Our private chef prepares delicious and nutritious meals to energize kids while they enjoy the activities we prepared for them.
